

The University of Chicago
Physical Sciences Division

Joint BS/MS Program in Chemistry & Biological Chemistry

Students who achieve advanced standing through their performance on placement examinations or accreditation examinations may consider the formulation of a four-year degree program that leads to the concurrent award of the BS and MS degrees in chemistry.

Instructions:

Students should complete the information in Part I below. After completing Part I, please send this form to the Director of Academic Programs, Chemistry, Vera Dragisich (v-dragisich@uchicago.edu).

The Department of Chemistry should complete the information in Part II and email the completed form to the Dean of Students Office, Physical Sciences Division (psd-dos@lists.uchicago.edu).

Part I:

Student Name:

UCID #:

Primary Major:

Secondary Major (if applicable):

Minor(s) (if applicable):

Expected graduation term (quarter and year):

By signing below, I indicate that I have discussed my plans to complete the Joint BS/MS in Chemistry with the Director of Academic Programs in Chemistry and that I intend to complete this joint degree program as described in the College Catalog.

Student Signature (digital signature sufficient):

Date:

Part II

The Department of Chemistry should complete portion below and email the completed form to the Office of the Dean of Students, Physical Sciences Division (psd-dos@lists.uchicago.edu).

By signing below, the Department of Chemistry verifies that the above student has been admitted to the Joint BS/MS in Chemistry Program at the University of Chicago.

Department signature (digital signature sufficient):

Date:
