

Chemistry Graduate Student Resources

In addition to your faculty, there are several offices – departmental, divisional, University – that support your [Graduate Education](#). This guide is intended as a quick reference to help you navigate the many resources available to you.

People

Department of Chemistry

Student Services Representative (non-academic): [Melinda Moore](#) 773-702-7250, Searle 126

Executive Officer (academic issues): [Vera Dragisich](#) 773-702-3071, Searle 128

Chair: [Viresh Rawal](#) 773-702-2194, Searle 334

Physical Sciences Division

PSD Dean of Students (academic and non-academic issues): [Miranda Swanson](#) 773-702-8790, ERC 307

University of Chicago

[Office of the Student Ombudsperson](#)

A resource for all UChicago students to assist in the resolution of conflicts, concerns, and other problems.

Resources for Student Input

Department of Chemistry

- You may schedule an individual student meeting with the Executive Officer or Chair.
- There are two annual town halls with Chair open to all Chemistry students.
- Two Chemistry Student Ombudspersons are elected annually by graduate students. The Ombudspersons meet quarterly with the Chair on your behalf.

2017-18 Ombudspersons: [Tim Cronin](#) and [Becca Thompson](#)

Physical Sciences Division

- [PSD Dean's Student Advisory Committee \(DSAC\)](#): Ombudspersons serve as Chemistry DSAC Reps. DSAC gives students an advisory voice in PSD administration and an opportunity to comment on how institutional policies and plans affect student life.
- [PSD Social Committee \(PSD-SC\)](#): Appropriates the PSD share of the quarterly student life fee. Plans social, athletic, and cultural events for PSD students. All PSD students welcome to participate in planning and/or approving events at the quarterly meeting. PSD-SC Board is elected annually.
- You may schedule an individual student meeting with [PSD Dean of Students](#).

University of Chicago

- [Graduate Council](#): GC is made up of a leadership team and 17 elected representatives from the university's 12 graduate schools and divisions.
- [Student Advisory Committees, Boards, and Councils](#)

Policies

Department of Chemistry

- [Department of Chemistry Guide to Academic and Administrative Procedures and Requirements](#)
